

## MANDENI MUNICIPALITY

# SERVICE DELIVERY

# HLOMENDLINI HOUSING WARD 3 AND 4

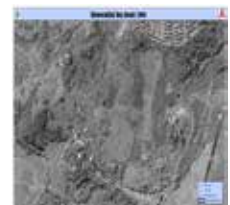

The municipality purchased the land from private families in order to unlock the land for Low Cost Housing Development. The project was funded by DoHS and has benefitted over 1900 residents and to date over 560 title deeds have been issued in enhancing security of tenure for previously disadvantaged communities.

# HLOMENDLINI BUS ROUTE WARD 4

The road was upgrade by the municipality to acceptable levels of roads categorised as Bus Routes to link Hlomendlini with surrounding areas in enhancing accessibility to and from economic and social opportunities.

# MASOMONCO RURAL HOUSING PROJECT WARD 10

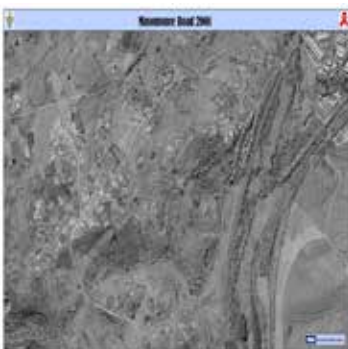

The municipality in partnership with DoHS managed to build around 490 units under this project.

# MASOMONCO BUS ROUTE WARD 10

The municipality in realization that Masomonco Area was growing at a high rate as people were attracted by Isithebe Industrial Estate for job opportunities yet the area remained inaccessible due to poor road infrastructure. The municipality invested money towards upgrade of the Bus Route which enhanced accessibility to the area in particular by public transport thus saving local residents a lot of money that they used to spend hiring private transport to do their shopping.

# INYONI HOUSING PROJECT WARD 10

This project is considered as a catalytic project in terms of slums clearance programme within Mandeni. This project is currently under construction where DoHS, iLembe District Municipality and Mandeni Municipality are putting funding towards civil works and also top structure. At completion this project will yield 3020 units where Wards such as Ward 7, 10, 11, 12, 13, 14, 15, 16 and 17 will benefit in terms of people (living in informal settlements and back-yard dwellers) obtaining houses within the project. Since this is an Urban Housing Project, the municipality will transfer all allocated houses to benefitting individuals where they will be granted Title Deeds to enhance their Tenure System.

# MANDENI TOWN CENTRE UPGRADE WARD 7 PROJECT TOTAL AMOUNT ±R138 000.00

# SUNDUMBILI INTERNAL ROAD REHABILITATION PROGRAMME WARD 13 AND 14

Sundumbili just like many other townships in South Africa had gravel roads and the municipality embarked on a project on upgrading all roads into blacktop standards. The municipality has further rehabilitated all roads in Ward 13 and 14 under Phase 1 and 2 Internal Roads rehabilitated programme. Phase 3 to cover Ward 15 and a section of Ward 7 has commenced.

# NGCEDOMHLOPHE STADIUM WARD 15

The municipality has also made investment of over R10 mil on construction Stadium at PSL standards within the Township of Sundumbili.

# SUNDUMBILI COMMUNITY PARK WARD 15

The municipality in partnership with National Department of Environmental Affairs constructed the Community Park within Sundumbili. This park will further be utilized as an outdoor gymnasium with equipment provided by Department of Sports and Recreation.

# PROVISION OF FIRE AND RESCUE SERVICE ALL MUNICIPAL WARDS

The municipality has entered on the Service Delivery Agreement with Rural Metro to render the fire services within Mandeni Municipality and through this initiatives a total of 15 local youth on fire fighting (qualified with Fire fighting 2 and hazmat operations). More properties and lives have been saved through these operations.
