- (5) The municipality may consolidate any separate accounts of persons who are liable for payment to the municipality and may credit all payments received from such a person to any service and order of preference as determined by council from time to time in its credit control and debt collection policy.

11. **Availability charges for municipal services**

The municipal council may, in addition to the tariffs or charges prescribed for municipal services actually provided, levy a monthly fixed charge, annual fixed charge or once-off fixed charge where municipal services are available, whether or not such services are consumed or not.

12. **Subsidised services**

- (1) The municipal council may, from time to time, and in accordance with national policy, but subject to principles of sustainability and affordability, by public notice, implement subsidies for a basic level of municipal service.
- (2) The municipal council may, in implementing subsidies, differentiate between types of household customers, types and levels of services, quantities of services, geographical areas and socio-economic areas.

- (3) Public notice in terms of sub-section (1) must contain at least the following details applicable to a specific subsidy -
 - (a) the household customers that will benefit from the subsidy;
 - (b) the type, level and quantity of municipal service that will be subsidised;
 - (c) the area within which the subsidy will apply;
 - (d) the rate (indicating the level of subsidy);
 - (e) the method of implementing the subsidy; and
 - (f) any special terms and conditions that will apply to the subsidy.
- (4) If a household customer's consumption or use of a municipal service is —
 - (a) less than the subsidised service, the unused portion may not be accrued by the customer and will not entitle the customer to cash or a rebate in respect of the unused portion; and
 - (c) in excess of the subsidised service, the customer will be obliged to pay for such excess consumption at the applicable rate.
- (5) A subsidy implemented in terms of sub-section (1) may at any time, after reasonable notice, be withdrawn or altered in the sole discretion of the municipal council.
- (6) Commercial customers may not qualify for subsidised services.
- (7) Subsidised services shall be funded from the portion of revenue raised nationally that is allocated to the municipality and if such funding is insufficient the services may be funded from revenue raised through rates, fees and charges in respect of municipal services.

13. Authority to recover additional costs and fees

The municipality or its authorised agent has the authority to, notwithstanding the provisions of any other sections contained in these by-laws, recover any additional costs incurred in respect of implementing these by-laws against the account of the customer, including but not limited to —

- (a) all legal costs, including attorney and own client costs incurred in the recovery of amounts in arrears shall be against the arrears account of the customer; and
- (b) the average costs incurred relating to any action taken in demanding payment from the customer or reminding the customer, by means of telephone, fax, e-mail, letter or otherwise.

Part 3: Payment

14. Payment of deposit

- (1) The municipal council may, from time to time, determine different deposits for different categories of customers, users of services, debtors, services and service standards, provided that the deposit will not be more than two and a half times the monetary value of the most recent

- measured monthly consumption of the premises for which an application is made.
- (2) A customer must on application for the provision of municipal services and before the municipality or its authorised agent will provide such services, pay a deposit, if the municipal council has determined a deposit.
 - (3) The municipality or its authorised agent may annually review a deposit paid in terms of sub-section (2) and in accordance with such review
 - (a) require that an additional amount be deposited by the customer where the deposit is less than the most recent deposit determined by the municipal council.
 - (4) If a customer is in arrears, the municipality or its authorised agent may require that the customer -
 - (a) pay a deposit if that customer was not previously required to pay a deposit, if the municipal council has determined a deposit; and
 - (b) pay an additional deposit where the deposit paid by that customer is less than the most recent deposit determined by the municipal council.
 - (5) Subject to sub-section (7), the deposit shall not be regarded as being in payment or part payment of an account.
 - (6) No interest shall be payable by the municipality or its authorised agent on any deposit held,
 - (7) The deposit, if any, is refundable to the customer on termination of the agreement. A deposit shall be forfeited to the municipality if it has not been claimed by the customer within 12 (twelve) months of termination of the agreement. .

15. **Methods for determining amounts due and payable**

- (1) The municipality or its authorised agent must in respect of municipal services that can be metered, endeavour to, within available financial and human resources, meter all customer connections and read all metered customer connections, on a regular basis, subject to sub-section (2).
- (2) If a service is not measured, a municipality or its authorised agent may, notwithstanding sub-section (1), determine the amount due and payable by a customer, for municipal services supplied to him, her or it, by calculating the —
 - (a) the shared consumption; or if not possible,
 - (b) the estimated consumption.
- (3) If a service is metered, but it cannot be read due to financial and human resource constraints or circumstances out of the control of the municipality or its authorised agent, and the customer is charged for an average consumption the account following the reading of the metered consumption must articulate the difference between the actual consumption and the average consumption, and the resulting credit or debit adjustment.

- (4) Where water supply services are provided through a communal water services work (standpipe), the amount due and payable by customers gaining access to water supply services through that communal water services work, must be based on the shared or estimated consumption of water supplied to that water services work.
- (5) Where in the opinion of the municipality or its authorised agent it is not reasonably possible or cost effective to meter all customer connections and to read all metered customer connections within a determined area, the municipal council may, on the recommendation of the municipality or its authorised agent, determine a basic tariff (flat rate) to be paid by all the customers within that area, irrespective of actual consumption.
- (6) The municipality or its authorised agent must inform customers of the method for determining amounts due and payable in respect of municipal services provided that will apply in respect of their consumption or supply zones.

16. Payment for municipal services provided

- (1) A customer shall be responsible for payment of all municipal services consumed by him/her or it from the commencement date of the agreement until his/her or its account has been settled in full and the municipality or its authorised agent must recover all applicable charges due to the municipality.
- (2) If a customer uses municipal services for a use other than that for which it is provided by the municipality or its authorised agent in terms of an agreement and as a consequence is charged at a charge lower than the applicable charge the municipality or its authorised agent may make an adjustment of the amount charged and recover the balance from the customer.
- (3) If amendments to the applicable charge become operative on a date between measurements for the purpose of rendering an account in respect of the applicable charges -
 - (a) it shall be deemed that the same quantity of municipal services was provided in each period of twenty-four hours during the interval between the measurements; and
 - (b) any fixed charge shall be calculated on a pro rata basis in accordance with the charge that applied immediately before such amendment and such amended applicable charge.

17. Full and final settlement of an account

- (1) Where an account is not settled in full, any lesser amount tendered to and accepted shall not be deemed to be in final settlement of such an account.
- (2) Sub-section (1) shall prevail notwithstanding the fact that such lesser payment was tendered and/or accepted in full and final settlement, unless the municipal manager or the manager of the municipality's authorised agent made such acceptance in writing.

18. **Responsibility for amounts due and payable**

- (1) Notwithstanding the provisions of any other sections of these by-laws, the owner of premises shall be liable for the payment of any amounts due and payable to the municipality or its authorised representative in respect of the preceding two years, where the owner is not the customer and the municipality or its authorised agent after taking reasonable measures to recover any amounts due and payable by the customer from the tatter, could not recover such amounts.

19. **Dishonoured payments**

- (1) Where any payment made to the municipality or its authorised agent by negotiable instrument is later dishonoured by the bank, the municipality or its authorised agent —
 - (a) may recover the average bank charges incurred relating to dishonoured negotiable instruments against the account of the customer; and
 - (b) shall regard such an event as default on payment.

20. **Incentive schemes**

- (1) The municipal council may institute incentive schemes to encourage prompt payment and to reward customers that pay accounts on a regular and timeous basis.

21. **Pay-points and approved agents**

- (1) A customer must pay his/her or its account at pay-points, specified by the municipality or its authorised agent from time to time, or at approved agents of the municipality or its authorised agent.
- (2) The municipality or its authorised agent must inform a customer of the location of specified pay-points and approved agents for payment of accounts.

Part 4: Accounts

22. **Accounts**

- (1) Accounts will be rendered monthly to customers at the address last recorded with the municipality or its authorised agent. The customer may receive more than one account for different municipal services if they are accounted for separately.
- (2) Failure to receive or accept an account does not relieve a customer of the obligation to pay any amount due and payable.
- (3) The municipality or its authorised agent must, if administratively possible, issue a duplicate account to a customer on request.
- (4) Accounts must be paid not later than the last date for payment specified in such account.

- (5) Accounts will —
- (a) reflect at least —
 - (i) the services rendered;
 - (ii) the consumption of metered services or average, shared or estimated consumption;
 - (iii) the period addressed in the account;
 - (iv) the applicable charges;
 - (v) any subsidies;
 - (vi) the amount due (excluding value added tax payable)
 - (vii) value added tax;
 - (viii) the adjustment, if any, to metered consumption which has been previously estimated;
